Subject: Key Messages

Good Morning Gentlemen:

As a follow up to the discussion yesterday, regarding any suggested key messaging for the press conference, if there is an opportunity to consider mentioning the number of vehicles, CVORs, licenses seized or subjected to seizure under the EMCPA, it would be helpful with substantiating the value of the legislation and deterring other blockades - we are managing up to 15 other convoys around the province today, and demonstrations planned for The Ambassador Bridge, the Peace Bridge and Toronto.

Thanks for the incredible job you are doing leading the activities in Ottawa.

Tom
